Chinese ship rams PH fish boat; 1 dead

4 missing, 3 injured in incident off Pangasinan

DECEASED Marlon Barrios, 30, was the only survivor of a Chinese ship ramming a Philippine fish boat off Pangasinan. (Photo by Benito S. Lopez for the Philippine Daily Inquirer)

A CHINESE cargo ship rammed a Philippine fishing boat south of the disputed Scarborough Shoal in the West Philippine Sea (South China Sea), killing 10 fishermen and leaving four others missing.

The incident occurred on June 22, 2014, off the coast of Pangasinan. The Chinese ship, the Haiyang 666, was carrying 11 crew members. The Philippine fishing boat, the BRP Andres Bonifacio, was carrying 11 crew members. The Haiyang 666 rammed the BRP Andres Bonifacio, causing it to sink. One fisherman, Marlon Barrios, was killed. Four other fishermen were missing. Three other fishermen were injured.

Musicians sing their way out of poverty

Leave breastfeeding law alone, solons told

A coalition group of lawmakers opposed House Speaker Manuel L. Quezon Jr.'s plan to amend the law on breastfeeding, saying it is already a national policy.

The coalition, composed of the House Committee on Health and the Committee on Education, said it is already a national policy.

That's correct, it's a pattern used by the so-called mafia boss that I mentioned in your requested article. Making references to mafia for business will sound stupid but in such an industry context that's not a new angle.

The first two articles in the last part of the book are devoted to the

Spawning was the behavior of the 27 captured photophagous larvae, which occurred between 10:00 and 11:00 a.m.

All members of the family were present, including the 100-year-old mother, who also lived in the family's ancestral home in Sanyuan Township, Henan, prior to their immigration.

Support shop
The company is supporting a shop selling books, food and other items for the cause. Donations, including stamps and even photographs, were offered to help with the bid.

"It is a particularly alarming case when a Christian, who would share the same religious beliefs as his neighbor, is persecuted because of his race," he said. "It is a case of race hatred, and it is a case of religious hatred."

PUREGOLD

wishes to

THANK YOU

for making the 7th Puregold - Tindahan ni Al ng Puring
"Sari-Sari Store Convention" a

SUCCESS!

It's more fun doing business with Puregold!

Sa PUREGOLD, ALWAYS PANALO!

The clear choice of Sharon.

"As someone who eats with her eyes even more than her mouth, my hunger for nothing short can only be satisfied by the best convenience provider for me.

Cigna.

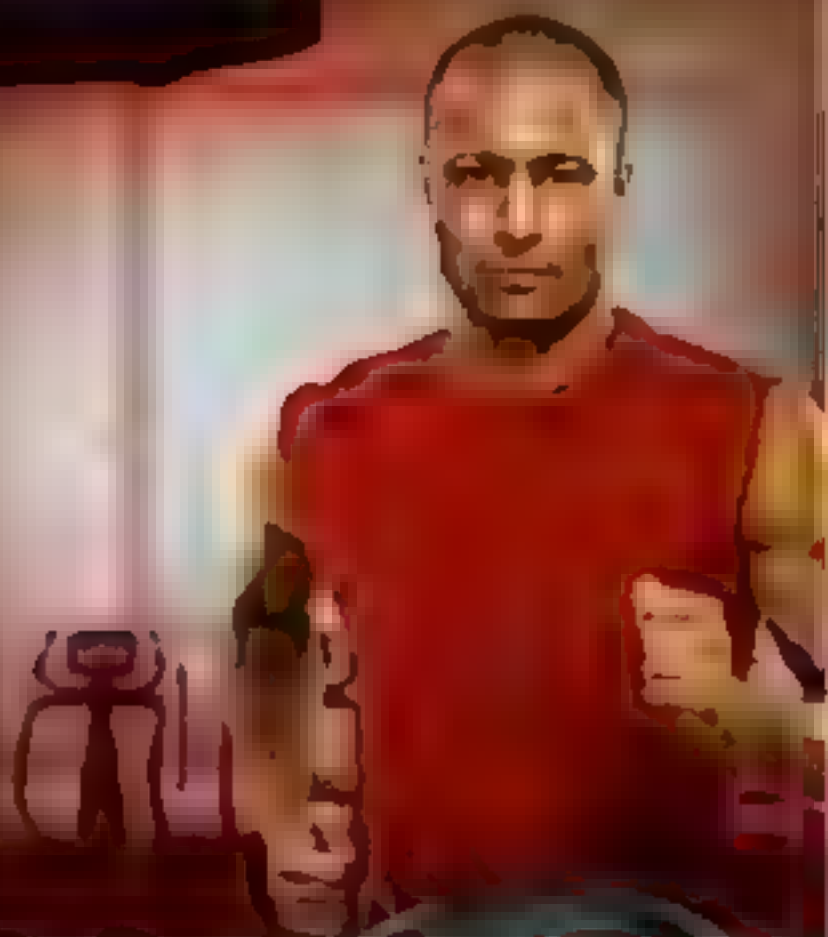

It's 100% digital, 100% clear—to not only did the doctors make my mouth water, they made my eyes water as well.

Plus, with Cigna's long list of 250+ doctors nationwide, she wins for sure—whether I'm craving for Asian or European, my eyes are in for a virtual feast! **®**

The clear choice of Derek.

**Treadmill and TV: that's the perfect routine for me.
So the connection provider has to be just as perfect.**

In fact, that's how I choose gym—they gotta be on Cignal.

**It's 100% digital, 100% clear, as while my body is undergoing
an extreme workout, my eyes are getting an extremely
pleasurable visual massage.**

**Plus, with Cignal's long list of HD channels nationwide, I've got more
than enough shows for my 10K warm-up—and my 15K cool down! TM**

Victory consolidated

The victory of the Philippine people over the Japanese invaders is a historic event. It is a victory that has been long and hard fought, and it is a victory that has been won by the people themselves. The Japanese invaders have been driven out of the Philippines, and the Philippine people are now free to govern themselves.

We owe it to him

The death of a great leader is a tragedy for the people. It is a tragedy that we must all feel. The great leader has left behind a legacy of greatness and a vision of a better future. We owe it to him to continue his work and to strive for the better future that he envisioned. We must not let his death be in vain. We must strive to be the best that we can be, just as he did.

Manila Chamber Orchestra holds Young Artists Concert series

By Anthony C. Yap
The Manila Chamber Orchestra (MCO) is proud to present the Young Artists Concert Series, a series of performances featuring the talents of young musicians from the Philippines and abroad. The series is a testament to the MCO's commitment to nurturing and showcasing the next generation of musical talent. The first concert in the series, held on October 10, 2014, featured a program of classical and contemporary works. The young artists performed with exceptional skill and passion, earning the praise of the audience and the MCO's artistic director. The series will continue with several more concerts throughout the year, each featuring a different group of young artists. The MCO's Young Artists Concert Series is a must-see event for anyone interested in classical music and the future of the performing arts in the Philippines.

Arts and culture survive in Catanduanes against all odds

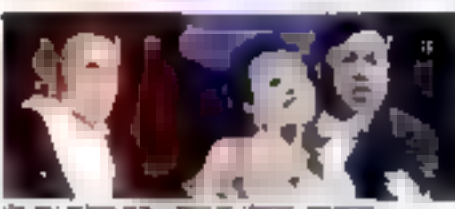

By Felicia A. De Jesus
In the heart of Catanduanes, a small island province in the Philippines, a vibrant arts and culture scene is thriving against all odds. Despite the challenges posed by a remote location and limited resources, a dedicated group of artists and cultural workers are working to preserve and promote the rich heritage of the island. They are organizing regular performances, exhibitions, and workshops, ensuring that the traditions and talents of the community are not lost. The arts and culture scene in Catanduanes is a testament to the resilience and creativity of the people, who are determined to keep their traditions alive and share them with the world. The island's unique landscape and history provide a rich backdrop for the arts, and the community's support is a key factor in the success of these efforts. The arts and culture scene in Catanduanes is a source of pride and inspiration for the people, and it is a testament to the power of art to bring people together and create a sense of community.

The Manila Chamber Orchestra (MCO) is proud to present the Young Artists Concert Series, a series of performances featuring the talents of young musicians from the Philippines and abroad. The series is a testament to the MCO's commitment to nurturing and showcasing the next generation of musical talent. The first concert in the series, held on October 10, 2014, featured a program of classical and contemporary works. The young artists performed with exceptional skill and passion, earning the praise of the audience and the MCO's artistic director. The series will continue with several more concerts throughout the year, each featuring a different group of young artists. The MCO's Young Artists Concert Series is a must-see event for anyone interested in classical music and the future of the performing arts in the Philippines.

Figure 1. Schematic representation of the experimental design. The subjects were divided into two groups: the control group (CG) and the experimental group (EG). The CG was subjected to a control protocol (CP) and the EG to an experimental protocol (EP). The CP consisted of a 10-min rest period followed by a 10-min work period. The EP consisted of a 10-min rest period followed by a 10-min work period. The work period was divided into two phases: a 5-min phase of low intensity (LI) and a 5-min phase of high intensity (HI). LISA WITH AN 'S'

How we spent our summer with Lisa with an 's'

By Lisa with an 's'

It's been a long time since I've written a column. I've been so busy with my work and my family that I haven't had time to sit down and write. But now, as the summer comes to a close, I want to share with you how we spent our summer. It's been a mix of fun and relaxation, with a lot of time spent with family and friends. We've traveled to some beautiful places, and we've had a lot of fun. I hope you enjoy reading about our summer.

CUU receives accreditation for three academic programs

THE UNIVERSITY OF CALABANG (CUU) has received accreditation for its Bachelor of Science in Business Administration (BSBA) and Bachelor of Science in Information Technology (BSIT) programs from the Philippine Accreditation Association of Schools, Colleges and Universities (PAASTU).

The accreditation was granted for a three-year period, starting from 2013 to 2016. The BSBA program is accredited at the level of "Satisfactory" and the BSIT program is accredited at the level of "Good."

The accreditation process involved a thorough review of the university's academic programs, faculty qualifications, and student outcomes.

The accreditation is a testament to the university's commitment to providing quality education and maintaining high academic standards. The accreditation also allows the university to participate in the PAASTU Quality Improvement Program (QIP) and to receive financial aid from the Department of Education.

The accreditation is a significant milestone for the university and its students, as it ensures that the programs meet the highest standards of quality.

The accreditation also provides a framework for continuous improvement and quality assurance. The university will continue to monitor and improve its programs to ensure that they remain relevant and effective in the current educational landscape.

Marikina partners with Axze for e-learning tool project

MARIKINA CITY has entered into a partnership with Axze, a leading e-learning technology company, to develop and implement a comprehensive e-learning platform for its students.

The partnership aims to enhance the quality of education by providing students with access to a wide range of digital learning resources and tools. The platform will include interactive content, self-paced modules, and real-time feedback mechanisms.

The e-learning platform will be used to deliver a variety of courses, including basic education, higher education, and professional development. The platform will also support the university's efforts to promote lifelong learning and continuous improvement.

The partnership with Axze is a key component of the university's digital transformation strategy. It will enable the university to provide a more personalized and effective learning experience for its students.

The e-learning platform will be implemented in a phased manner, starting with the basic education programs. The university will continue to evaluate the platform's effectiveness and make necessary adjustments to ensure it meets the needs of its students.

The partnership with Axze is a testament to the university's commitment to innovation and excellence in education. It will help the university to stay at the forefront of educational technology and provide the best possible learning experience for its students.

Lation with Japanese in South

THE UNIVERSITY OF CALABANG (CUU) has established a partnership with the Japanese government to promote cultural exchange and academic collaboration between the two countries.

The partnership includes a variety of activities, such as student exchange programs, faculty visits, and joint research projects. The university will also participate in the Japanese government's "Global Education Partnership Program" (GEP) to further enhance its international relations.

The partnership is a significant milestone for the university and its students, as it provides them with the opportunity to engage in cross-cultural learning and collaboration.

CUU joins over 30 government building

THE UNIVERSITY OF CALABANG (CUU) has joined a coalition of over 30 government buildings to promote sustainable development and environmental protection.

The coalition is part of the Philippine Green Building Council's (PGBC) "Green Building Initiative" (GBI). The initiative aims to encourage the construction and use of green buildings that are energy-efficient, environmentally friendly, and healthy for the occupants.

The coalition is a testament to the university's commitment to sustainability and its role in promoting a greener future for the Philippines.

Young Pinoys top Asean contest for junior scientists

By Tara Conde

12 PHILIPPINE students and their teachers won the top prize in the 2013 Asean Science Olympiad, a competition for junior scientists from the 10 member states of the Association of South East Asian Nations (Asean).

The contest was held in Manila, Philippines, from July 15 to 20. It was the 12th annual event, and it was the first time that the Philippines had won the top prize.

The team, consisting of 12 students and their teachers, was led by Dr. Arlene Dizon, a professor at the University of the Philippines. They won the contest by submitting the best project in the category of "Innovation in Science".
